(54) Title: AWNING SYSTEM FOR BOATS

(57) Abstract: A cockpit (2) at the stern of a boat may be covered in two stages. Firstly, a first canopy system (3) of the bimini type is deployed. Then a second canopy system (4) is deployed and has a frame member (411) which can be pivoted rearwardly over the first canopy system (3) so as to allow the second canopy system to be deployed after the first canopy system. A canopy (42) of the second canopy system covers a portion of the cockpit deck behind the portion covered by the bimini canopy (32).

WO 2004/024550 A3

(88) Date of publication of the international search report:
6 May 2004

For two-letter codes and other abbreviations, refer to the "Guidance Notes on Codes and Abbreviations" appearing at the beginning of each regular issue of the PCT Gazette.

INTERNATIONAL SEARCH REPORT

International cation No
GB 03/03974

A. CLASSIFICATION OF SUBJECT MATTER
IPC 7 B63B17/02

10/527578

According to International Patent Classification (IPC) or to both national classification and IPC

B. FIELDS SEARCHED

Minimum documentation searched (classification system followed by classification symbols)
IPC 7 B63B

Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched

Electronic data base consulted during the International search (name of data base and, where practical, search terms used)

EPO-Internal

C. DOCUMENTS CONSIDERED TO BE RELEVANT

Category *	Citation of document, with indication, where appropriate, of the relevant passages	Relevant to claim No.
A	WO 94 06676 A (MAANGSEN CHRISTER) 31 March 1994 (1994-03-31) the whole document	1
A	EP 1 199 249 A (TOMATSU SEIZOU) 24 April 2002 (2002-04-24) the whole document	1

☐ Further documents are listed in the continuation of box C.

☒ Patent family members are listed in annex.

* Special categories of cited documents :

- *A* document defining the general state of the art which is not considered to be of particular relevance
- *E* earlier document but published on or after the international filing date
- *I* document which may throw doubts on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)
- *O* document referring to an oral disclosure, use, exhibition or other means
- *P* document published prior to the international filing date but later than the priority date claimed

- *T* later document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention
- *X* document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone
- *Y* document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art.
- *G* document member of the same patent family

Date of the actual completion of the International search
